

RUSTENBERG WINES

STELLENBOSCH MERLOT 2015

INTRODUCTION

Merlot has been a mainstay red grape variety on Rustenberg since the late 1970's where its lead role has been to complement Cabernet Sauvignon in blends. Rustenberg's Merlots tend to be bigger and bolder in body and are structured to have excellent aging potential, pairing well with red meat based dishes and rewarding decanting before being served.

VINTAGE

The cold wet Winter of 2014 started early and ended late, which is ideal for the vineyards' dormancy; however an unseasonably cool Spring resulted in the vines going into Summer with 10 to 40% less crop than usual. The remainder of the season was warm and dry resulting in one of the earliest harvests on record. Zero disease pressure and small crops of fantastic ripe fruit combined with high natural acids make this potentially the vintage of the decade.
