

RUSTENBERG WINES

STELLENBOSCH SHIRAZ 2017

INTRODUCTION

Shiraz is a fairly newly introduced variety to Rustenberg, first planted in the late 1990's on warm West-facing slopes of the Simonsberg Mountain it has rapidly made its mark in a number of wines and blends. The Stellenbosch Shiraz exhibits all the hallmarks of great Shiraz: red and dark fruits and a touch of spice in a wine that is medium bodied, approachable and designed to be enjoyed in its youth. We recommend decanting this wine before serving.

VINTAGE

The Winter of 2016 was dry but cold as drought conditions persisted in the Western Cape. Despite the drought, a warm, dry spring and little wind meant that there was little disease pressure and little stress on the vineyards beyond the heat. Harvest started slightly earlier than usual but was 10 days later than the record early start of the 2016 vintage. Careful use of irrigation to offset the dry drought conditions and cold nights experienced during the first four months of the year resulted in superb quality, and wonderful acidity, colour and flavour concentration in the wines. Indications are that 2017 will be an excellent vintage with plenty of potential to age well.
