

RUSTENBERG WINES

STELLENBOSCH RM NICHOLSON 2020

INTRODUCTION

This wine is named after a former charismatic owner-winemaker, Reginald (“Reg”) Merriman Nicholson, who lived and worked on the farm for 30 years and was the creator of Rustenberg’s famous “Dry Red” blend. Just as the Dry Red was an unconventional blend, the RM Nicholson is a new world style blend of classic varieties that would typically not be combined. The result is a blend of Bordeaux and Rhone varieties aiming to express the typicity of each vintage, unrestrained by convention to create great wine. We recommend decanting this wine before serving.

VINTAGE

The 2020 vintage will be remembered as a good vintage produced under the spectre of the COVID-19 pandemic impacting the globe. Fortunately the harvest was not impacted on Rustenberg by the government-sanctioned lockdowns, allowing all fruit to be picked and processed when ripe. A good winter in 2019 saw a return to average rainfall for the year. Two unusual weather events in the growing season, a large rainstorm and a heat wave, impacted some varieties flowering and berry set, however, in the context of the entire vintage these had a minor impact. Crop levels were up by 15% from the 2019 vintage, which saw a return to yields being average to slightly above average for most varieties. Quality wise, the white wines have superb acids and more moderate alcohols with wonderful fruit concentration, while the reds tend to be more medium-bodied with moderate alcohols, good freshness and supple tannins, potentially to be enjoyed earlier.
